MARK YOUR CALENDARS TO BE IN NICEVILLE, FL OCTOBER 16-18 2009
GROW IN GOD'S WORD AND ENJOY THE SWEET FELLOWSHIP OF OTHER BELIEVERS!!

The New Testament is the Old Testament revealed. The Old Testament is the New Testament concealed. There are certain things of the Old Testament fulfilled in the New which in the Old Testament could only be seen through a dark veil. Rev. Jon Nessel will open the scriptures for our understanding of the grand themes of the Old Testament so you can confidently read it.

The class will not cover the entire Old Testament, but it will cover the major players and unlock understanding so that you will have a framework of reference to associate your further studies with.
